

# ST. MARYS STONETOWN

ALWAYS  
IN SEASON

*Choose the scenic  
rural route and discover  
the unexpected in  
St. Marys, Ontario.*

*A unique limestone town,  
historical treasures,  
specialty shops  
and home-grown  
hospitality.*

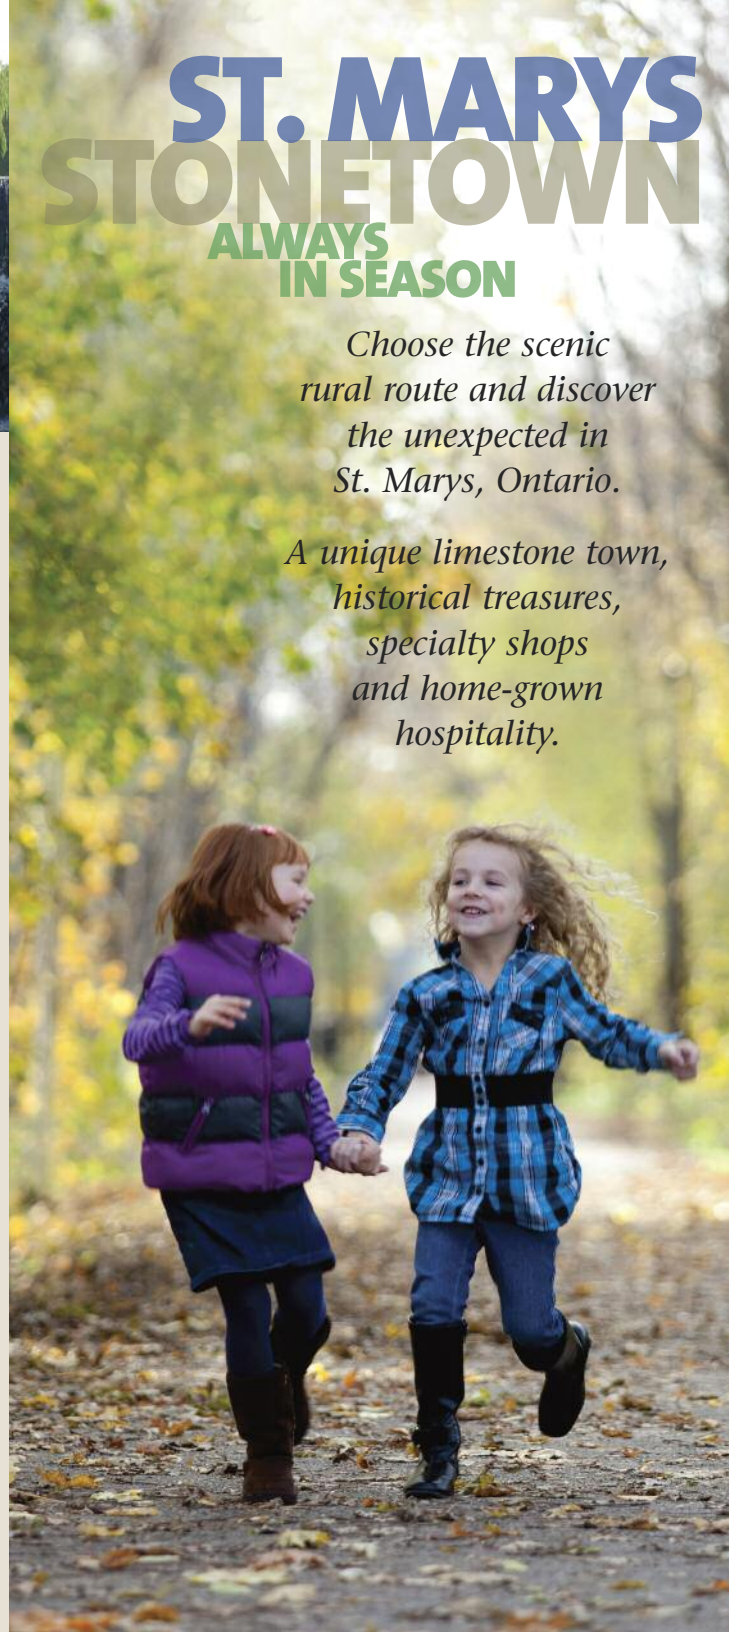

St. Marys is located 45 minutes northeast of London and 90 minutes west of Toronto. From Stratford, travel southwest on Hwy #7 to Wildwood Conservation Area and take the Perth Line 9 exit to Queen Street.

The St. Marys Information Centre is located in the historic railway station, at the corner of Queen Street and James Street North.

On your next road trip, leave the ordinary at home and immerse yourself in beauty. St. Marys is a photographer's dream. Capture stunning architecture during a stroll downtown or snap picturesque vistas as you hike over rolling hills and along inviting trails. Lose yourself in the music, art and charm of a small town.

Canada's largest freshwater swimming pool, a winding river, campgrounds, manicured golf courses and thirty acres of trails and parkland create a wide variety of recreational pursuits to explore.

When the snow flies, trade your hiking books for skis and snowshoes. The beautiful trails can be enjoyed all year long. Brighten up those dark winter nights with a view of the award-winning light display on Milt Dunnell Field – by vehicle, on foot or aboard a horse-drawn wagon. There's a little something for everyone, regardless of your outdoor taste.

*Linger a little longer... in St. Marys.*

Vibrant shops, stocked with handcrafted treasures, home décor, craft supplies, designer floral bouquets, men's and ladies' fashions and delicious treats, line the downtown core.

Experience the flavour of the local heritage at the St. Marys Museum or Canadian Baseball Hall of Fame and Museum or by attending one of the many annual festivals or events.
